CLAY COUNTY ANNOUNCES 2020-2021 FREE AND REDUCED-PRICE MEALS FOR STUDENTS

District releases annual required information under the National School Lunch and Breakfast Programs

CLAY COUNTY, Fla. July 8, 2020 --- Clay County District Schools participates in the National School Lunch and School Breakfast Program providing nutritious meals every school day.

The District is pleased to announce again this year the availability of applying for Free and Reduced Price Meals online. This process is safe, secure, private and available anytime, anywhere. Please visit the Clay County District School's website at www.ClayCountyFNS.com. Paper applications will still be available and will be sent home at the beginning of school. To apply for Free or Reduced-Price Meals, households must complete an online application or a paper application and return it to the school or the Food and Nutrition Services Office. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year. Applications may be submitted at any time during the year.

Households that receive SNAP (Supplemental Nutrition Assistance Program) or TANF (Temporary Assistance for Needy Families) are required to list on the application only the child's name, SNAP/TANF case number, and signature of adult household member. Foster children will receive free benefits regardless of the child's personal income or the income of the household. Households with children who are considered migrants, homeless, or runaway should contact the district liaison at (904)336-1346 or migrant coordinator at (352)955-6855.

For the purpose of determining household size, deployed service members are considered a part of the household. Families should include the names of the deployed service members on their application. Report only that portion of the deployed service member's income made available to them or on their behalf to the family. Additionally, a housing allowance that is part of the Military Housing Privatization Initiative is not to be included as income.

All other households must provide the following information listed on the application:

- Total household income listed by gross amount received, type of income (e.g., wages, child support, etc.) and how often the income is received by each household member;
- Names of all household members – check the “no income” box if applicable; if household member is a child, list school name for each;
- Signature of an adult household member certifying the information provided is correct; and
- Social security number (last 4 digits) of the adult signing the application or the word “NONE” for this household member if he or she does not have a social security number.

Household size and income criteria will be used to determine eligibility. An application cannot be approved unless it contains complete eligibility information. Once approved, meal benefits are good for an entire year. You do not need to notify the organization of changes in income and household size. If previously denied or approved for reduced and a household member becomes unemployed or if the household size changes, please contact the Food and Nutrition Services Department.

DISCOVERING ENDLESS POSSIBILITIES

Clay County District Schools is an Equal Opportunity Employer.

Under the provisions of the Free and Reduced-Price meal policy, the Food and Nutrition Services Administrative Support Assistant will review applications and determine eligibility.
